8th October 2008

To Griffin Alliance,

The Club has employed Ty Baxter as DJ at three separate functions in recent weeks.

I would just like to say on behalf of the Club, its' members and guests that he has done a great job for us. He is punctual, very organised, professional, and plays a wide range of music that suits all tastes. We hope to have him for many more functions in the future.

Best regards,

A handwritten signature in black ink, appearing to read 'John Ainsworth'.

John Ainsworth
Chairman
